RE: CASE NO. IPC-E-95-9: SETTLEMENT DISCUSSIONS

Dear Party:

Pursuant to scheduling conflicts with Pacificorp and the Company's written request of November 30, 1995, I am hereby proposing an amendment to the time table previously established in my letter to you of November 20, 1995. The new schedule is as follows. All parties wishing to submit comments or pose questions to the Commission Staff regarding the Staff's proposal included with the November 20 letter may do so on or before December 22, 1995. Staff will respond to any inquiries as quickly as possible. The settlement meeting previously scheduled for December 18, 1995, will be moved to Wednesday, January 3, 1996, commencing at 10:00 A.M., at the offices of the Idaho Public Utilities Commission. The parties should anticipate spending the entire day on this matter.

As I'm sure you can all appreciate, scheduling matters such as this is challenging. If you have a problem with this schedule, please reply to me as soon as possible. My telephone number is (208) 334-0357 or my FAX number is (208) 334-3762.

Sincerely,

Brad M. Purdy
Deputy Attorney General
